Coverage Description

- Once enrolled in the group vision plan, the member must remain enrolled for a period of three (3) years unless a qualifying event occurs. If the member drops the vision plan, the member may not re-enroll for a period of three (3) years.
- Members that have dual coverage will be allowed up to double the amount listed above, but not to exceed the cost of the vision hardware. Dual coverage for vision is based on individual utilization. Dual payment is eligible only for the initial purchase of vision hardware.
- Member is eligible to receive the benefit of frames and lenses OR contacts, but not both during the same one (1) year period. Eye exams are payable every year based on the initial date of service.
- Frames and lenses are payable every one (1) year based on the initial date of service.
- Contact lenses are payable every one (1) year. The benefit begins with the initial contact purchase, but contacts may be purchased at different times during the one (1) year period. Eligibility ends when the reimbursable amount reaches the maximum allowance.
- Effective date begins the first of the month after date of hire.
- Eligibility for all services begins 30 days prior to the initial date of your last service.
- All claims must be submitted within **12 months** of the initial date of service. Claims that are submitted after the 12-month initial date of service will not be eligible for reimbursement.
- Reimbursements are eligible before discounts and taxes.
- Children and legal dependents eligible until age 27 regardless of marital status.
